

Dear Parents,

The Children's Committee wishes to extend a warm welcome to you and your children this semester as we begin a time of learning and discovery. We want to make every effort to ensure that Sunday is a meaningful experience for your children and their teachers. We are excited about the new curriculum. These rotations are arranged in such a way to provide the children with interesting and diverse opportunities while learning about the Bible and Christian Values.

Each parent should have received an education covenant to support your children in their Christian education. In addition, as part of our effort to ensure a meaningful experience for your children and teachers, the Children's Committee would like to share with you our classroom guidelines.

Please review this with your children.

- Please remain seated and still during story telling, sharing, and prayer times. We have many activities in our rotation that will allow for movement.
- Please respect teachers and other class members by being quiet when they are speaking.
- Please use language that is appropriate and respectful when in church and Sunday school. Remember, this is God's House.
- Any child acting inappropriately or using inappropriate language will be asked to stop. A second occurrence will result in the child taking a break from the activity and a third occurrence will result in the child being escorted to his/her parents

We want Sunday school to be a positive experience and know it can be with your help. Thank you for sharing your children with us on Sunday mornings.

Faithfully,

The Children's Committee
